I hope you had a fabulous festive break, back now with some great weather to keep up our spirits! I just wanted to let everyone who is interested know (apologies to those who are not) that there will be both Choir and Orchestra rehearsals again throughout this term. I know there has normally not been any action post Christmas but this year there will be an Easter concert of sorts, details will be released soon. So there is still a need for your musical talents! Choir are rehearsing the usual time Thursday 5.30pm - 6.30pm in the seminar room Orchestra rehearse Monday 5pm - 6.30pm in the seminar room. If you haven't been before then why not come along? We have some fun new music and always room for new voices/instruments. If you are interested - just give it a bash! Thanks for reading, perhaps see you at rehearsals.
Cheers, Jess and Alastair
